Additional Remarks (if any)

Respected Sir, We would like to inform you that the existing plant has not been in operation due to financial constraints and other factors since approximately 2016. In February 2023, the plant was acquired by M/s Sagar Cements Limited through an NCLT order dated 16.02.2023. However, following the acquisition, the unit has remained non-operational due to high operational costs compared to grid costs.

- I '30MW captive power Plant of M/s Andhra Cements Limited' hereby give undertaking that the data and information given in the filed compliance and enclosures are true to be best of my knowledge and belief and I am aware that if any part of the data and information found to be false or misleading at any stage, the clearance given to the project will be revoked at our risk and cost. In addition to above, I hereby give undertaking that no activity such as change in project layout, construction, expansion, etc. has been taken up without due approval.
